Moulding the Future

INVICTUS RANGE

SPECIALIZED POLYMER CONCRETE STREET FURNITURE

decocrete products are aimed at satisfying the demand for a Street Furniture Product which could achieve a high level of detail in the casting process, allowing one to personalize the product through the inclusion of specialized trade marks, motifs or logos. Because of the nature of the product, this also allows the customer the option to choose a variety of shapes and surface textures.

Falling into the generic classification of a Polymer Concrete, the ever expanding product range delivers a product to the customer which is light, easy to install, offers an endless variety of finishes and textures, and is tailored to meet the specific requirements of the customer regarding design, detail and finishes.
