STREET FURNITURE

Moulding the Future

MELROSE MAJOR BOLLARD

SPECIALIZED STREET FURNITURE

decocrete products are aimed at satisfying the demand for a Street Furniture Product which could achieve a high level of detail in the casting process, allowing one to personalize the product through the inclusion of specialized trade marks, motifs or logos. Because of the nature of the product, this also allows the customer the option to choose a variety of shapes and surface textures.

The ever expanding product range delivers a product to the customer which is light, easy to install, offers an endless variety of finishes and textures, and is tailored to meet the specific requirements of the customer regarding design, detail and finishes.
