GRANOTOP

LUXURY NATURAL STONE SURFACES

Made of natural stone fillers, the **granocrete granotop** offers a unique product which is scratch resistant, hardwearing and impact resistant, at a fraction of the price of granite.

Unlike granite, **granocrete** is non-porous and light-weight and is available in a wide range of natural stone surfaces.

Available in either a polished or matt finish, the **granotop** is ideal for vanities, kitchen counter tops, pub counters or restaurant and cafe table tops. From the rustic to the minimalistic, the **granocrete granotop** will harmonise with any surrounding, giving unprecedented tranquility and relaxation.

Characteristics

- Available in a wide range of natural stone finishes and textures
- Strong and durable
- Non-porous
- Polished or matt finish
- Highly durable
