PAMPLONA 2820

LUXURY NATURAL STONE BASINS

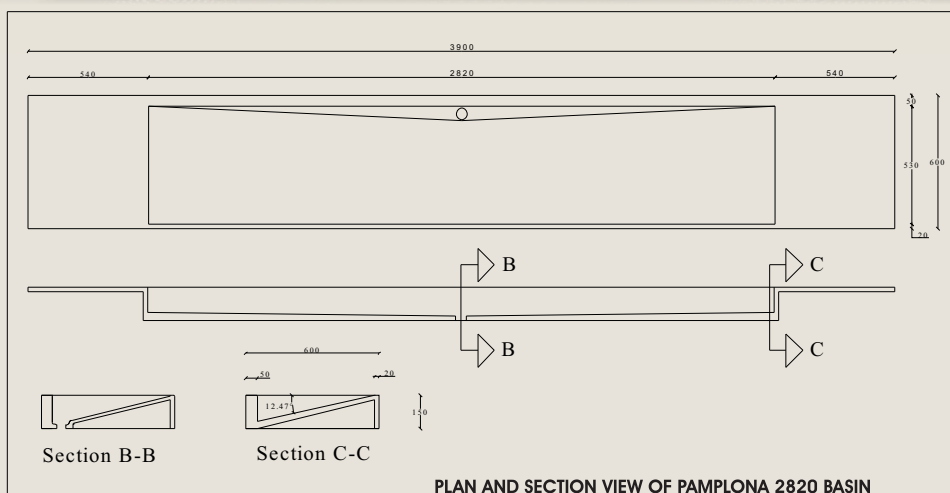

Presenting the Luxury Pamplona 2820 basin

With a wide open trough and angular flow back design, the Pamplona range of Vanity Basins captures the minimalistic principle of design and decor. Available in a range of natural stone finishes, our Pamplona Vanity Basin has side shelves and a single drainage outlet.

Used extensively in stadiums, shopping centres and other public, retail and commercial restrooms, the Pamplona 1780 is also suitable in the home where the feeling of openness and space turns your bathroom into a haven.

Characteristics

- Available in a wide range of natural stone Finishes and textures - see colour chart for options
- Sides can be cut down to fit into required recess
- Strong and durable
- Capacity 97 L
